### Money change:

There is a money changer at the port terminal. Last year guests were able to change Euro 50 and more and upon return they could convert the remaining money to the same exchange rates. Usually you can pay with credit cards or you can withdraw money from any ATM. Payment of taxis is preferably in local currency, but also possible in Euro or Dollars. Taxis are not accepting credit cards.

### Children and babies:

Please let us know with your booking if you need a car seat. We have a limited amount of car seats which we can provide for free. Please note that for safety reason we are not able to offer a regular desert safari for children below 3. However we are happy to offer you a private tour where you can safely determine your own speed or decide if you would like to go around the dunes instead of driving over the dunes.

### Wheel chair:

Our tours are not wheelchair suitable. But please feel free to contact us to offer you a wheelchair suitable tour.

### Meeting point:

Easy! Take the 10 minutes busshuttle from the port to the Museum of Islamic Art. There our team is waiting for you holding signs with „PEARLS OF DOHA TOURS“. For the evening tour at souq Waqif we meet at the DOHA BUS station (opposite Al Fanar Culture Centre).

**Food&Beverage:**

In all our trips a bottle of water is included. For the desert tours we are providing F&B according to the itinerary.
